Astros Visit Mountainview

Members of the Houston Astros baseball team pay a visit to Mountainview Elementary to talk to students about America's pastime, the importance of education, and important character traits.

Sunday – Noon
Monday, Wednesday – 2pm
Friday – 2pm, 9pm

America's History in the Making (Lesson 14)

History lessons for middle and high school teachers that use video, online text, classroom activities, and Web-based activities to explore American history from the Pre-Columbian era through Reconstruction.

Monday thru Friday – 9am

Destinos (Lesson 12)

A 52-lesson Spanish language instruction soap opera that immerses students in everyday situations with native speakers and introduces cultures, accents, and dialects of Mexico, Spain, Argentina, and Puerto Rico.

Monday thru Friday – 10am, 6:30pm

Connect with English (Lessons 36, 37)

A video instructional series in English as a second language high school students and adult learners. Through the story of Rebecca, the show touches on life's important issues: leaving home, parenting, education, work, love, success, and loss. All of the characters use meaningful, natural language that students can put to work immediately in their own lives.

Monday thru Friday – 11am

NASA 360

A program produced by NASA about space exploration and its effect on our quality of life.

Monday thru Friday – 10:30pm
