Students and Parents,

We are so close to the end of the year now. Seniors should have finished up their assignments for final grades and the last few weeks are upon us. Graduation events are coming at the end of next week and we are having a Senior Recognition event at GWAMA on May 26, 2020 from 6:00 PM to 8:00 PM. Information and guidelines for the event have been posted at www.gwama.net and the GWAMA Facebook page. We hope to see the majority of our seniors there. We will also this week designate who has been awarded each of the five TSTC Success Scholarships, the two WALTER B. DOSSETT JR. Scholarship award scholarship recipients, and the George Cleveland-TSTC Scholarship recipient to TSTC for the best attendance at GWAMA by a Senior student during the 2019-2020 academic school year. Each student will receive a yard sign and be celebrated this week.

Now is not the time for any of us to start slowing down or slacking off. We have been telling you to DO THE WORK which simply means…take responsibility for your own self and complete what you started in August when you first arrived at GWAMA. I want to commend the teachers and staff for all your hard work over the last months. Many of you already had your classrooms working online….many of you did not and you accepted the challenge to formulate engaging lessons for your students a whole new way. Congratulations also to our students who have accepted the challenge of online learning and succeeded in the new format. Parents, you have also been there to encourage, cajole, and motivate your students to be successful during a very challenging time…Congrats to you too!! Let us all finish strong, for we are all better in many ways for the challenges we have faced and overcome.

Dr. Dale McCall  Dean of GWAMA
