Subject:  Re: Time tracker

If the workshop is to provide background on a specific board item, I'd associate it with voting. If it's to inform/educate about a broader area, I would use other. If it is to set goals/GPMs I'd associate it with goal setting and so forth.

In short: it can go whichever way the content of the session determines. But if the session is to add context for a specific board item that's up for a vote, I'd count it as an extension of voting.

Time Tracker: does not include closed session.

RE: Update on class waivers

Background Information:
At the beginning of the school year, each school district in Texas is required to review its class size enrollment to determine whether its class sizes for grades kindergarten (K) through four meet the requirements of TEC §25.112. As a District of Innovation, Waco is exempt from requirements of TEC 25.112 after the first six weeks of instruction. WISD central office administrators work with the campus principal and the teacher(s) to determine if a class exceeding 22 to 1 should be divided or allowed to exceed the TEC limit. Attached is a copy of the classes by campus and grade level that exceed the TEC limit.

RE: Discussion and possible action to approve a resolution to cast votes in the McLennan County Appraisal District Board of Directors election

=================================================================

Background Information:
In compliance with Section 6.03 of the State Property Tax Code, the McLennan County Appraisal District’s (MCAD) Chief Appraiser, Andrew J. Hahn, has calculated that the Waco Independent School District is entitled to cast a total of 940 votes in the election of the five-member Board of Directors of the MCAD. Elected members will serve from January 1, 2018 through December 31, 2019.

Attached is correspondence from the Chief Appraiser, a copy of the votes calculation, the blank ballot listing the names of the seven candidates who have been nominated by the various taxing entities, and the resolution to cast the vote. Mathematically, a candidate receiving 834 votes or more is ensured of a position.

Ballots must be returned to the MCAD before December 15, 2017.

Fiscal Implications:
None.

Administrative Recommendation(s):
The Administration will provide the Board of Trustees with any additional voting information available and make a recommendation the night of the Board meeting.

RE: Discussion and possible action to approve amendments to the 2017-2018 budget

Background Information:
The Texas Education Agency has established additional requirements for school district budget preparation. As part of these requirements, a school district must amend the official budget before exceeding a functional expenditure category, i.e., instruction, administration, etc., in the total district budget. Attached are copies of the proposed amendments to the Official Budget identifying details of the requests. The following summarizes the effect of these amendments by functional category.

Summary:
Amendment #011: Advanced Academic Department
This amendment will reallocate budgeted funds for staff development salaries and benefits to counseling for salaries and benefits. The adjustment is required to appropriately reclassify the budget to the proper expenditure codes per TEA accounting guidelines.

RE: Discussion and possible action to approve the job order contract for kitchen equipment repair services

===============================================

Background Information:

Request for Proposals, Job Order Contract (JOC) 17-1092, have been opened and evaluated for the purpose of awarding a contractor to provide repairs to kitchen equipment throughout the District on an as needed basis. We received two bids for this service. After evaluating the bid responses, the Child Nutrition department recommends Restaurant Equipment Supply Company (RESCO) be awarded as the primary vendor and TD Industries be awarded as the additional vendor.

This bid will expire December 14, 2018, with three (3) additional one (1) year renewal options.

A pricing worksheet and evaluation scoresheets are attached for your review

Fiscal Implications:

The cost of this service will be charged to the contracted services budget in the National School Breakfast and Lunch fund, as appropriate.

Administrative Recommendation(s):

The Administration recommends that the Board of Trustees approve the job order contract bid award for kitchen equipment repair services to RESCO as the primary vendor and TD Industries as the additional vendor for projects between $5,000 and $125,000, as presented.

RE: Discussion and possible action to approve an amended Memorandum of Understanding between the City of Waco, McLennan County and the Waco Independent School District in respect to the management, maintenance, and sale of property bid off as a result of a foreclosure

Background Information:

On February 28, 2013, the Board of Trustees approved a written agreement, in the form of a Memorandum of Understanding (MOU), between the City of Waco, McLennan County, and the Waco Independent School District. The purpose of the MOU was to set forth the agreement between the taxing entities with respect to the management, maintenance, and sale of property that has been bid off as a result of a foreclosure of the taxes owed.

The original agreement was effective for the term March 1, 2013 through September 30, 2018. The revisions to the agreement re-establish the minimum sales price by a newly defined “Sales Program” that changes the procedures by which a taxing entity may purchase a foreclosed property. As a result, final approval of the sale by the taxing entities has also changed.

The newly defined “Sales Program” includes minimum sales pricing for the following categories of sale:

- Taxing entities purchase,
- Targeted housing development,
- Affordable housing development by a CHDO,
- Direct sale of non-buildable property,
- Direct sale of buildable property,
- Bid sale, and
- Constable tax-resale.

The City will send a list and a property location map of any properties to which the Taxing Entities are a party to the tax foreclosed lawsuit. The Taxing Entities will have 60 days to determine if the taxing entity would like to purchase the property.

If a property is sold pursuant to the agreement, the conveyance of the property will occur upon execution of the deed after approval of the sale by the City Council without further approval of the County or the Waco ISD.

These proposed revisions have previously been presented and discussed at the October 18, 2017 Intergovernmental Relations Relations Committee.
The term of the revised agreement is effective October 1, 2017 through September 30, 2020. A copy of the agreement and explanatory memorandum is provided in the agenda.

**Fiscal Implications:**

There is no cost associated with this agreement.

**Administrative Recommendation(s):**

The Administration recommends that the Board of Trustees approve the memorandum of understanding between the City of Waco, McLennan County, and the Waco Independent School District in respect to the management, maintenance, and sale of property bid off as a result of a foreclosure, as presented.

The purpose of this MOU is to set forth the agreement of CITY, COUNTY, and WISD (hereafter referred to collectively as "Taxing Entities") with respect to the management, maintenance, and sale of property that has been bid off as a result of a foreclosure of the taxes owed to the Taxing Entities. Said properties shall be referred to as "Properties" or "Property."

COUNTY and WISD designate the CITY as the taxing unit to which PROPERTY is bid off as a result of a foreclosure of the taxes owed to the Taxing Entities. The CITY takes title to the property for the use and benefit of itself, COUNTY, and WISD.

If a bid sufficient under Section 34.01 of the Property Tax Code is not received, the CITY, at its sole discretion, may terminate a sale prior to bid off if such property is deemed by CITY to be economically infeasible to administer due to various issues including, but not limited to, environmental hazards, high demolition costs, safety issues, or health risks.

Taxing Entities will have 60 days to determine if the taxing entity would like to purchase the Property.

For properties purchased under the Taxing Entities Purchase Program, the Taxing Entities shall send a check payable to the City of Waco for disbursement and a description of the governmental use. Although a taxing entity may express an interest in a Property during the 60-day time period, the Property will not be transferred to the taxing entity until after the expiration of the redemptive period established by state law.
If not purchased under the Taxing Entities Purchase Program, the Property will then be available for the Targeted Housing Development Program, and then if the Property has not been placed in the Targeted Housing Development Program, it will be offered for sale in the Affordable Housing Development by a CHDO Program. Background Information:
The proposed revisions to BED(LOCAL) are prompted by legislation passed during the 85th Session of the Texas Legislature. Fiscal Implications:

Administration Recommendations:
The Administration recommends that the Board of Trustees approve the proposed revisions to Board Policy BED(LOCAL).

RE: Discussion and possible action to approve Early Notice of Resignation Incentive Option

===================================================================

Background Information:
The early notice of resignation incentive option was initially approved by the Board in January 2007. This option was created to forecast future vacancies for the upcoming school year, hire quality applicants early, and to encourage improved attendance of teachers who were planning to resign and/or retire. In return for complying with the early notification deadline, the District pays teachers $50 per day for up to 20 days of unused sick leave. For example, a teacher leaving at the end of the year and who has complied with the notification deadline could receive up to $1000 at the end of the year.

Administration would like to continue to offer teachers, professional, and administrators the option to take advantage of the early notice of resignation option if they intend to resign and/or retire at the end of the 2017-2018 school year. Written notification of the employee’s resignation /retirement must be received in Human Resources no later than Friday, March 16, 2018, and the employee must complete their annual contract term to receive the incentive. If an employee resigns or retires, receives the early resignation incentive, and returns to employment with Waco ISD at the beginning at the 2018-2019 school year, the employee must return the incentive money to the district.

The early notice of resignation incentive option will not be extended to non-exempt staff such as instructional aides or paraprofessionals.

The cost per year to implement the early notice of resignation incentive plan depends on the number of employees taking advantage of this incentive and the number of unused days the employee has remaining at the end of the school year. Last year 44 teachers took advantage of the early resignation incentive option. The district paid out $6,850. The early resignation incentive option also contributes to cost avoidance since the teachers (who are planning to resign/retire) are at work which eliminates the need for a substitute teacher which cost the district $95 to $145 a day.

Fiscal Implications:
Included in the 2017-2018 budget.

Administrative Recommendations:
Administration is recommending the continuation of the early resignation incentive option for teachers, professionals, and administrators with a deadline notification date of Friday, March 16, 2018.
