

Gifted and Talented Services Nomination/Screening/Participation

Gifted and Talented services in Waco ISD are dedicated to providing the most appropriate educational services for gifted and talented students in grades K-12. Anyone may nominate a student to receive gifted and talented services, and all students nominated will be assessed and evaluated by district personnel trained in the practice of gifted and talented education. Assessment and evaluation of nominated students includes data from multiple sources both objective and subjective, and identification decisions are made by district personnel who understand characteristics of gifted and talented learners.

To nominate a student for gifted and talented services complete the form below and return it to the campus G/T contact person or the Advanced Academics office. If you have questions or concerns, please contact the Waco ISD office of Advanced Academic Services at (254) 755-9519.
