Growth Mindset

We're watching a video series about how students can develop a growth mindset!

Watch it at:

<https://ideas.classdojo.com/i/growth-mindset-5>

and ask your child these questions tonight.

Sometimes when we are working on a challenging task, we may think, "just try harder." Is there a way to change this phrase?

2. What are some strategies we can use when facing a big challenge, so that we don't burn out?

3. Brainstorm phrases we can use to keep us going when facing a challenge (e.g., "Nice effort trying to solving that math problem!").

*Together we will learn.
Together we will grow.
Together we will take pride in ourselves, our school and the community we know.
Together we will create a better world.
Voyagers go!*

ATTENDANCE MATTERS:

NO CLASSES met 97% or higher attendance last week!!

Classes with perfect attendance: None this week

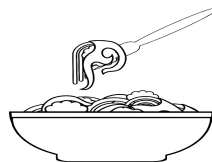

Attendance Incentives;

Drawings held weekly for students with perfect attendance from prior week. Classes earn popcorn parties after they earn 20 days of perfect attendance. Grade levels are working to earn Golden Anchors by having their grade level get 97% or higher attendance. Once the class gets 3 Golden Anchors, they earn a treat and extra recess.

Parent Involvement:

LION Pride-Leaders In Our Neighborhood for men to get involved in our schools. Parent-Darryl Thomas will be heading up program. Email Darryl.Thomas@sizeofaman.org for more information or to sign up or contact Ms. Ligawa @ Alta Vista
