Growth Mindset

Try a New Strategy

When you are working on something difficult, it may be tempting to give up. Instead think of a different strategy to try to solve your problem.

Some problem solving strategies could be:

- Draw a picture
- Look for patterns
- Work backwards
- Solve one part at a time.
- Write down different options to try
- Circle the important parts of the problem.
- Ask for help

*Together we will learn.
Together we will grow.
Together we will take pride in ourselves, our school
and the community we know.
Together we will create a better world.
Voyagers go!*

ATTENDANCE MATTERS:

3RD GRADE AND PREK-3 met 97% or higher attendance last week!!

Classes with perfect attendance: Ms. Villela and Mrs. Hamilton

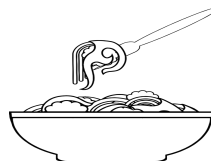

Attendance:

Reminder - Partial day absences add up just like unexcused absences. These include tardies and leaving early. If your child has a doctor appointment, make sure to bring in an excuse.
