Growth Mindset

Perseverance

Why is it important for kids:

***By recognizing kids for persevering when things get hard, you are helping your child become a more responsible and resilient adult.**

Perseverance can be recognized and reinforced in academics, relationships, and sports.

**See website for more information:
<https://talkingtreebooks.com/definition/what-is-perseverance.html>**

*Together we will learn.
Together we will grow.
Together we will take pride in ourselves, our school and the community we know.
Together we will create a better world.
Voyagers go!*

**ATTENDANCE MATTERS:
Prek4, 1st and 2nd grade met 97% or higher attendance last week!!
Classes with perfect attendance:
Mrs. Somer's 1st grade**

**Job Fair- Waco ISD job fair this Saturday, March 30 9:00-11:30
Pre Register at www.Wacoisd.org**

Student Safety:

We have noticed that students are crossing the street alone and that is very dangerous because the kids are having to cross the street with oncoming traffic. You must either come through the car line or cross your child to the front of the school. Our children's safety is a priority! Thank You!
