April Focus:

The Power of our Words

This week we are talking about gratitude and things we are thankful for. Help your child by talking as a family about things you are grateful for. Also help your children understand we can be grateful for people and how they help us and not just for what they give us.

Our 4th and 5th graders are focusing on being superheroes with their positive thoughts. Students who are more positive are more successful than those who are not.

ATTENDANCE MATTERS:

Prek, K and 5th met 97% or higher attendance last week!! Mrs. Picazo and Mrs. Scott's class had perfect attendance.
