Family Newsletter

**Each month, we post a longer electronic
newsletter that we share on our website to
share more ideas on things happening at
Alta Vista, more ways to help your child at
home and many resources that we hope
you will enjoy. Please let us know if you
have ideas of things you would like to see
in our news.**

School Matters!

Attend Today, Achieve Tomorrow

Our district and campus goal is 97%
attendance. Currently to achieve that goal, we
must have 15 or less students out each day.
We currently are slightly off already starting the
year. Please help our campus reach our goal
by having your child at school each day they
are not sick. ** See separate note from our
nurse about school sickness and things to
watch for. If your child sees the doctor, bring
the doctor's note to excuse the absence. Also,
all notes for absence should be returned within
3 days of returning from an absence.
See our sign daily for updates towards our
goal.
