October
Character
Focus:
Responsibility

The goal of this unit is to explore responsibility and taking ownership for one's actions. We will also be giving students strategies on how to make responsible choices that ultimately promote kindness to self, others, and our community.

*Together we will learn.
Together we will grow.
Together we will take pride in ourselves, our school
and the community we know.
Together we will create a better world.
Voyagers go!*

Family News

Attendance Matters:

Last week we had 97.16% for the entire week. We did make our goal of 97%. Brook Avenue took back the trophy. Prek3 and Prek4 as well as 4th and 5th grade reached their grade level goal for the year. Help us get the trophy back. See pictures online of each class with the trophy.

November 5- Family Game Night

Enjoy food and fun with the family while learning activities that you could do at home with games and 3rd-5th Hero Salute Program
Game Stations/Dinner: 5:30-7:00
Performance (Gr 3-5): 7:00-7:30

Fastest 5th grader

We have some awesome athletes at Alta Vista. The fastest girl and boy will represent our campus on October 25th at the University High School game. We encourage our Alta Vista students, family and staff to come out and support our students and cheer on our UHS Trojans!

Fastest boy: Davontrae Kirkland

Fastest girl: AliveyahThomas

Alternate Boy: Kermarien Forest

Alternate Girl: Zaikerea Tyle

Alta Vista Guidelines for Success
Be Safe
Be Respectful
Be Responsible
Be Ready to Teach and Learn

November 25-29 Thanksgiving break

December 20-Early Release

December 23-January 6- Student holiday (Students return January 7)

Problem-Solving Continued

Problems Can Be Solved in Different Ways. Although most math problems have only one answer, there may be many ways to get to that answer. Learning math is more than finding the correct answer; it's also a process of solving problems and applying what you've learned to new problems.
