AGENDA

- Introductions- Principal introduced all participants online and in person (in the library)
- Celebrations- M. Spark shared that 60 students auditioned for the Christmas musical, Helton shared that 1st and 4th grade did an amazing lesson study project, J. Spark shared that the library looks amazing and a lot of work has been put into getting back in shape- Thanks to Mrs. Olivares, Mr. Ward said the book club is wonderful to have back on campus, Williams said that Thanksgiving Lunch is back on and that is exciting.
- Wildly Important Goals- 97% attendance (November has been a tough month), 60% of students making one year of growth.
- [Campus Improvement Plan](#) Formative Review- Helton showed the progress with each goal on our CIP document and overviewed what each goal is.

Wildly Important Goal #1: 97% Attendance

- [Attendance Data](#) - Helton shared over view of attendance concerns by month, comparison of covid related to non-covid related, attendance also compared by grade level (2nd and 3rd grade seem to be struggling the most with attendance) Teachers shared that they have made parent contacts and offered incentives to the class for good attendance.
- [Parent Survey Data](#) - no parents present so we are skipping this data
- [Calendar of Events](#)
 - Family Engagement:
 - Thanksgiving Lunch on November 11- good opportunity for families and students to do something together
 - Various staff shared- December 13 is national cocoa day, December 17 is ugly Christmas sweater day- that is early release so it's hard to vote on that day, Hanukkah shirts should be on the agenda/ calendar, Elf on the shelf day, December 7 is cotton candy day, December 9 is holiday card day, cookies,
 - Winter Performances on December 7 (PK-2) and December 9 (Gr 3-5)
 - Family Leadership Group
 - [10 Days of Winter Fun](#)

Wildly Important Goal #2: 60% of Students Make One Year's Worth of Growth

- [ESF/TIP Plan](#) - No parents present (so we are skipping this)
- [Six Weeks Data Analysis](#) - Over scores trending upward from 1st six weeks, Sub pops are inline with with approaches data except for SPED and LEP
- Lesson Plan Expectations - open to suggestions about changing the expectations because it has been a point of stress. Teachers shared ideas and Helton asked teacher leaders to reach out to staff to see if teachers want to change the lesson plan due dates or not and their suggestions for that change.
