CTE Courses- Joining a Google Classroom

In order to join a Google Classroom from the Google Classroom link your teacher has provided, follow the steps.

1) Locate your teacher and class period's Google Classroom link on the webpage. It will look similar to this.

Google Classroom

2) Locate the Class Code to Join the class. The code will be listed below the Google Classroom link and will look similar to this. **35xrna** Copy the Class Code exactly as it appears.

3) Click on the Google Classroom link for your class. The first time you click on the link, you may receive this message.
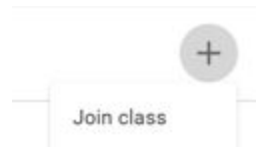

Class not found

Look for it on Classes, or double-check your link.

Back to Classes

4) Click on the blue Back to Classes button.

5) You may be prompted to login to Google Classroom. Login with your Waco ISD student account.

6) Once you are logged into Google Classroom, click on the
In the top right corner next to your name

7) Select Join Class

+

Join class

8) Enter the Class Code that your teacher has provided for your class and class period.

9) Click the Join button.

If you have successfully joined the class, you will then be entered into the class and will be able to see posts your teacher has made.

If you are not able to join, please double check that you entered the Class Code correctly.

If you need further assistance, please contact your teacher to let him/her know of your difficulty joining. They will be better able to assist you.
