Campus Improvement Plan-Summative Review

Discussed summative ratings for CIP, Gave an explanation for some strategies that were not at 100%. Discussed areas that were not addressed and will be modified for next year. Asked committee what they feel we need to do better on for next year. Here are some suggestions that were provided.

- Family events that have healthy snack choices
- Service Projects for students to participate in - food drive, costume rack, composting
- Buddy Bench
- Clear communication i.e. conflicting messages from staff during Homecoming parade
- Integrating all students in antibullying campaigns or student groups
- Lunch - no thank you bins
- Parent Workshops
