Health and Wellness Information:

Welcome and Introductions – Mrs. Hamilton welcomed everyone.

Review of Previous Minutes- Minutes were approved by Dr. Kathy Wigtil and seconded by Yolanda Williams.

COVID Update: Vaccines – Mr. DeBeer reported that Pfizer had received an emergency use authorization for children 12 and older and we are working with our partners to provide opportunities for our staff and students to receive the vaccination.

Vision Clinic Update - Mrs. Hamilton gave a brief description as to what services that the vision clinic provides for our students district wide. Next year we will prioritize the students that were not seen this year because of COVID, which has caused some problems being able to service the students as needed this year.

E-cigs and vaping; warning signs- Mr. Francisco Villa who is the deputy director of the Heart of Texas Regional Advisory Council gave an overall description as to what the council does and what areas are his expertise. A power point presentation was given on vaping and E-cigarettes past and present.

Q&A; Debrief- Mrs. Hamilton discussed our Student Code of Conduct and how it pertains to what was presented in the power point. Chief Williams gave a brief description and presented some photos as to what he observed when he went into a smoke shop and what items look like and are labeled that we need to be aware of that contain hemp.

Adjournment- 12:53 p.m.
